Vivid Display

The GRAND M offers a 5.0" curved glass display with vivid colors to bring any picture to life on your smartphone's screen.

Relax and enjoy your favorite YouTube movie, or experience your realest gaming experience on the GRAND M's bright display. Regardless of what your viewing pleasure may be, enjoy it to the fullest with the GRAND M.

Curved Glass

The GRAND M blends technology and design into an incredible package.

Incorporating the highest-grade material such as curved glass touch panel with color match finish ensures excellent feedback and feel, as well as a gorgeous look.

Beautiful Design

The GRAND M combines technology and art forming a solid structured smartphone that will surely impress on lookers. With an aluminum unibody that has electrolyzed finishing showcasing a smartphone that is precisely engineered and attractive. Available in Rose Gold, Silver, Gold and Grey.

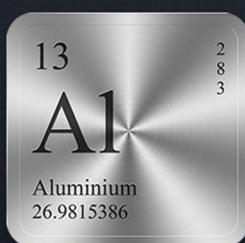

Precise Engineering

Advanced tooling technology that utilize state of the art CNC milling along with precise assembling.

Made With Real Metal

The GRAND M is CNC milled from real aluminum. With minimal plastic parts, the structure and assembly is superior. High end and premium feel for best perception value.

Optical Performance

The GRAND M has a 5 megapixel main camera with flash along with a 3.2 megapixel selfie camera with built in LED flash. Capturing all your memorable moments just got that much better.

Front Flash

If you find yourself in a low lit area, use the front flash to get the best exposure.

Dual SIM Card

A Dual SIM gives you several advantages that you cannot let pass by. Having two SIM slots in your mobile device, there isn't anything to worry about: Exchanging SIM cards from one phone to another • Carry two phones in your pocket • Remember to charge two devices. You could take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can set apart personal from business phone calls. For the international traveler, a DUAL SIM phone could avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.

Android 6.0 Marshmallow

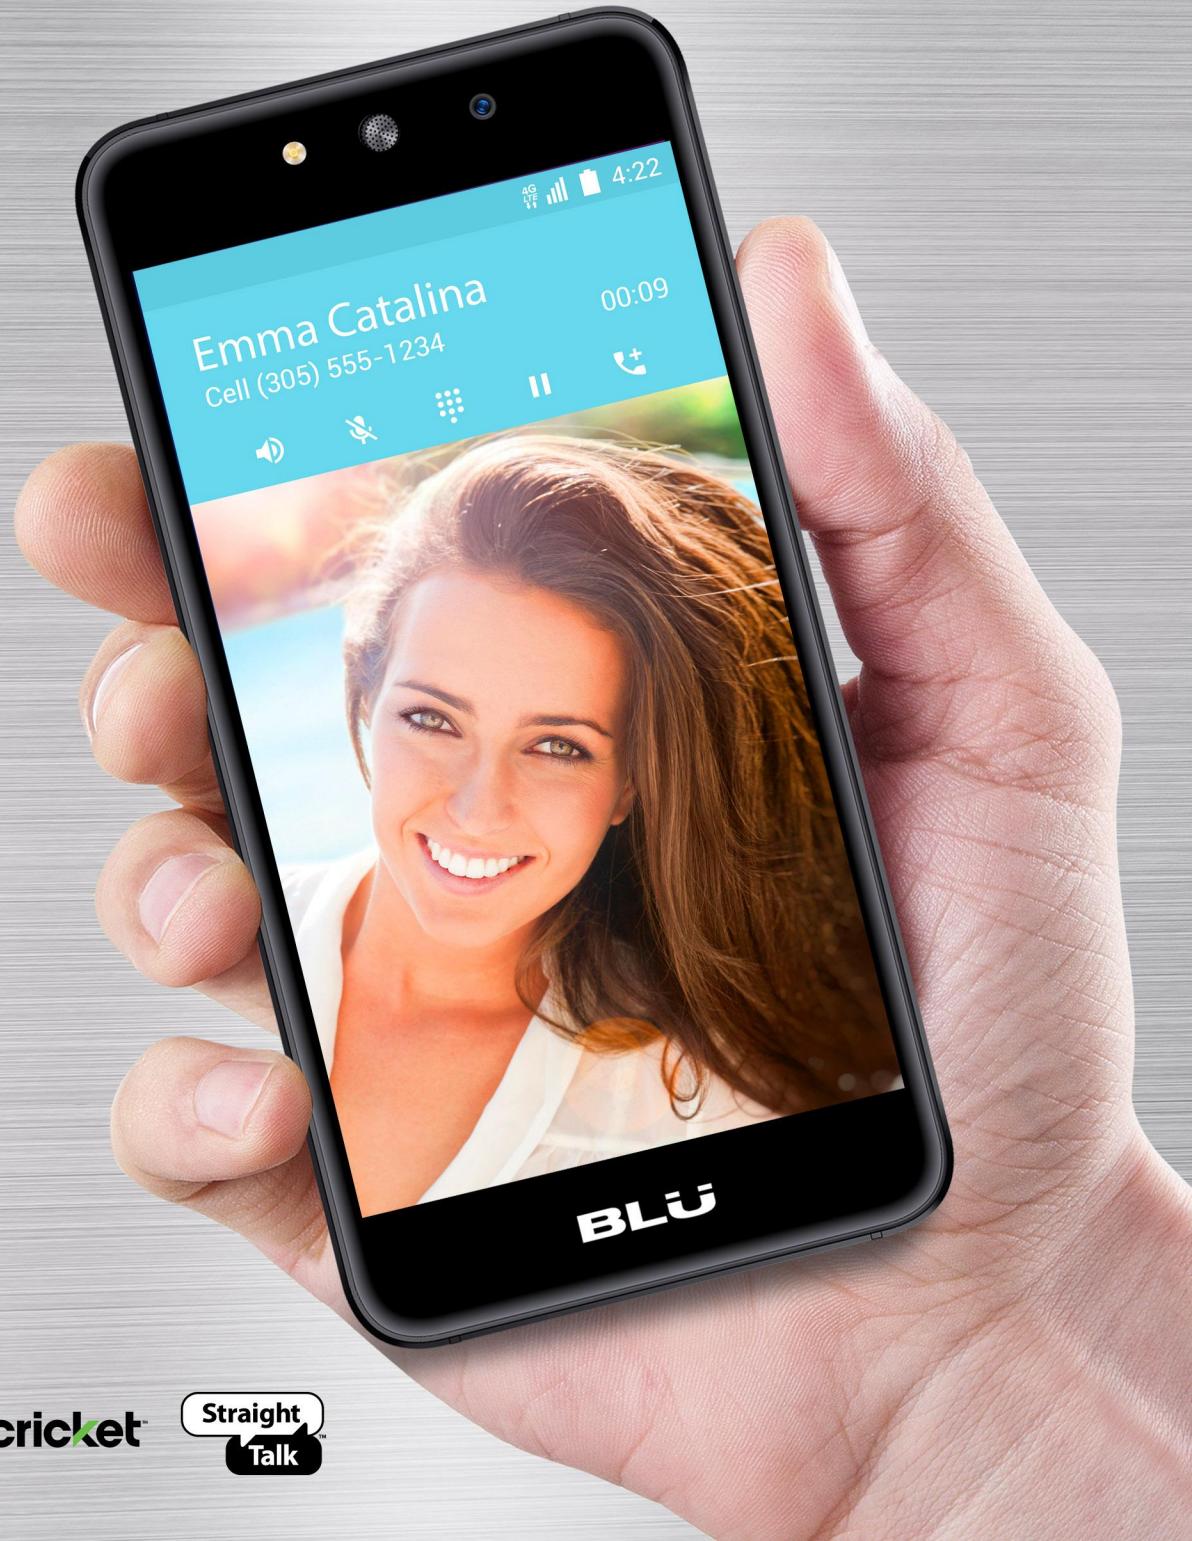

Redesigned user interface that is friendly and intuitive.
Lock screen notifications that offer quick actions as well as quick access.
Project Volta for better battery life than any previous version.
Multitasking is now easier with a complete look at your open applications.
Multiple users and guest mode make it easy to share your device
without compromising your personal information.

Unlocked

Stay connected with friends and family while traveling across the country. Get the job done no matter where you are.

The GRAND M comes with 3G: 850/1700/1900/2100 so you can have coverage across the entire United States with all different carriers; AT&T, T-Mobile, MetroPCS, and entire MVNO network.
